

espapparel

we do it better

We use Union Plastisol Inks. While Colour Chart Colours are difficult to simulate on a computer screen, we present these to you simply to give an idea of the range of our colors available. We can mix PMS colours specific to your logo. A \$10.00 mixing fee per colour will apply under 100 Items.

Standard Plastisol Colors

| | | | | |
|---|--|---|--|--|
| Lemon Yellow  | Golden Yellow  | Orange  | Scarlet Red  | Maroon  |
| Royal  | Navy  | Bright Green  | Kelly Green  | Khaki  |
| Flesh  | Black  | White  | Sienna Brown  | Grey  |
| Pink  | Deep Purple  | Rose Magenta  | Bright Blue  | Aqua Marine  |

Fluorescent Neon

| | | | | | | |
|--|--|---|---|--|--|---|
| Orbit Yellow  | Golden Yellow  | Interno Orange  | Flame Orange  | Missile Red  | Aurora Pink  | Solar Blue  |
| Traffic Green  | Neon Magenta  | Neon Purple  | | | | |

While Color Chart Colors are difficult to simulate on a computer screen, Daylight Fluorescent "NEON" colors are indeed impossible to replicate on a computer monitor. We present these to you simply to give an idea of the range of colors available.

Special Effect Metallic's

| | | | |
|--|---|--|--|
| Metallic Gold  | Metallic Red  | Metallic Blue  | Metallic Silver  |
|--|---|--|--|
